

...a truly global perspective

Authors and editorial boards from more than 100 countries contribute to our content.

Editorial board members by country

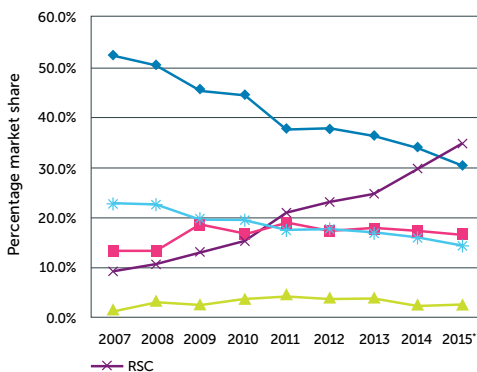

...the latest and most recent research in the chemical sciences

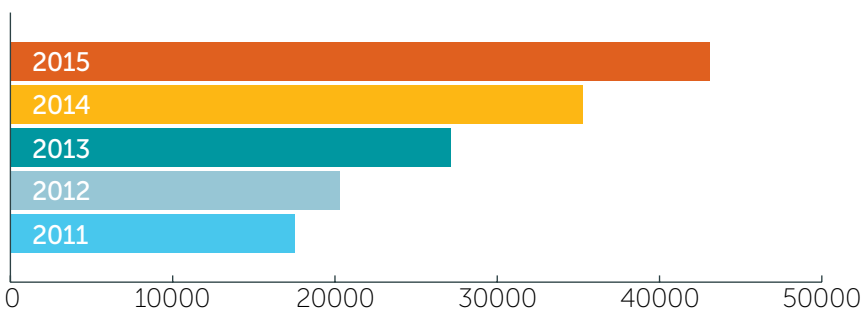

We had the largest market share of all published chemistry content in 2015 (30.8%).

The volume of content in RSC Gold journals has increased by 131%* in the last five years.

Market share by publisher 2007-2015

Article growth

What's included?

36 chemistry journals	One eBook series
Analyst	Issues in Environmental Science & Technology
Analytical Methods	
Biomaterials Science	Our Backfile
Catalysis Science & Technology	Annual Reports Sections A, B and C (1967 – 2013)
ChemComm (Chemical Communications)	One magazine
ChemSocRev (Chemical Society Reviews)	Education in Chemistry
CrystEngComm	
Dalton Transactions	Journals Archive lease
Energy & Environmental Science	An RSC Gold subscription gives you the option to add the Journals Archive (1841-2007) lease to your subscription to ensure your library users benefit from 166 years of chemistry research.
Environmental Science: Nano	The Journals Archive is also available as a one time purchase. For more information please contact us.
Environmental Science: Processes & Impacts	
Environmental Science: Water Research & Technology NEW TO GOLD 2017	
Faraday Discussions	
Food & Function	
Green Chemistry	Free content
Inorganic Chemistry Frontiers NEW TO GOLD 2017	As an RSC Gold subscriber your library receives access to all of our free content. This includes:
Integrative Biology	<ul style="list-style-type: none">• The first two volumes of all online journals launched from 2008• New journals that are in their two-year free access period• <i>RSC Advances</i> and <i>Chemical Science</i> – our two gold open access journals• <i>Chemistry Education Research and Practice (CERP)</i> – free to access due to sponsorship by the Royal Society of Chemistry's Education Division• The first chapter of all of our eBooks
Journal of Analytical Atomic Spectrometry (JAAS)	
Journal of Materials Chemistry A	
Journal of Materials Chemistry B	
Journal of Materials Chemistry C	
Lab on a Chip	
Materials Horizons	
MedChemComm	
Metallomics	
Molecular BioSystems	
Nanoscale	
Natural Product Reports (NPR)	
New Journal of Chemistry	
Organic & Biomolecular Chemistry	
Organic Chemistry Frontiers NEW TO GOLD 2017	
Photochemical & Photobiological Sciences (PPS)	
PCCP (Physical Chemistry Chemical Physics)	
Polymer Chemistry	
Soft Matter	
Toxicology Research	

Key features

- IP authentication to ensure instant and easy access across your library sites
- COUNTER compliant usage reports for all online journals, books and databases free of charge
- DOI for all journal articles and eBook chapters
